Special characteristics

- On/off switch on cable

Imaginative Lighting

PHILIPS

MARVEL

Highlights

For kids

This Philips and Marvel light for your child's bedroom creates an environment which encourages children to indulge in what they enjoy most – fun and creativity! A place where your child can study, play and sleep accompanied by their favorite Marvel character. This light is designed to be safe for your child.

For your child's bedside

This Philips and Marvel lamp for your child's bedroom fits perfectly on a bedside table or desk. It sheds a soft warm white light, ideal for bedtime routines like reading a book or telling bedtime stories. Close at hand and easy to switch on, it makes your child feel safe and comfortable at night.

High quality LED light

The LED technology, integrated into this light, is a uniquely developed solution by Philips. While

instantly turned on, it enables an optimal light output and brings out vivid colors in your kids room.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lights with a low Kelvin value produce a warm, more cozy light, while those with a higher Kelvin value produce a cool, more energizing light. This light offers warm white light for a cozy atmosphere.

On/off switch on cable

With the switch discreetly integrated onto the cable, you can easily switch the light on and off.
